# CLASSICS

All our burgers are made live to order and served in a brioche bun with lettuce, homemade sauces, and a standard portion of Regular Joe Fries. Additional sides can be ordered separately.

We aim to provide quality, tasty burgers that everyone wants to get stuck into. We only use beef that's carefully raised on natural grass at farms in Sheffield and fed on grains used to make Triple Point Brewing beer. Matured for a minimum of 30 days and lightly seasoned for that special Twisted taste.
